# RASPBERRY PI

On Saturday January 25th, students who attended the December Saturday program continued working with Raspberry Pi computers, while others were introduced to them. The students were taught how to put together the computer and learned basic coding techniques.

THE RASPBERRY PI WAS  
INVENTED IN 2008!

# CHINESE NEW YEAR

The students celebrated Chinese New Year by learning basics in speaking and writing in Chinese. They also ate traditional Chinese foods and participated in Chinese games.

## FUN FACT

**Chinese New Year is also known as the Spring Festival**

# TRIO Day at Shepherd University

**TRIO Day at Shepherd University was filled with lots of fun and excitement! The students participated in leadership activities, panel sessions, and a keynote speaker session. To end the day, the students received a tour of campus and participated in an admissions session.**

SHEPHERD HAS  
115 MAJORS!

# Student Leadership Conference

**Six of our students attended the WV TRIO Student Leadership Conference in Flatwoods, WV. While at the conference, the students attended a college fair, participated in leadership sessions, completed community service activities, and attended an awards banquet and dance.**

# **Dr. Anne Crum Scholarship Award**

**While attending the conference, Bailee Teter was awarded the Dr. Anne Crum Scholarship Award! She was recognized for her accomplishments, leadership traits, and growth as a student and leader.**

CONGRATULATIONS BAILEE!

# HOW HAS UPWARD BOUND HELPED YOU PREPARE FOR COLLEGE?

"They have given me the tools that I need to stay on track to have the best outcome possible." - **Shannon Statler**

"Upward Bound has helped prepare me for college more than I thought possible. It has also given me so many resources and opportunities to help better myself and help in classes. It has also helped my find myself and instill more confidence in me to find what I want to accomplish in life."  
- **Kambria Kosanic**

"Upward Bound has helped me with everything along the way for applying to college. It has helped me make sure I have everything I need for college like good time management, study skills, mental health tips, and just all around understanding college and how it works." - **Bailee Teter**
