*Shoutout to all of our recent
grads! We are SO proud of you!*

Saturday Programs

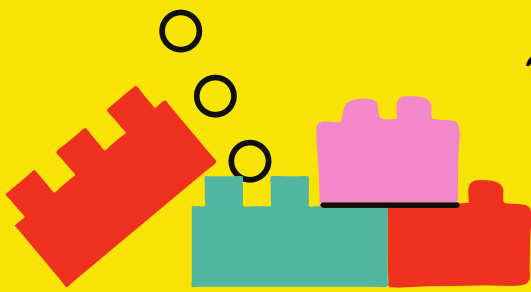

In September, students visited the WVU campus. They went to the Craft Center, Art Museum, Student Rec Center, and Core Arboretum!

Saturday Programs

We celebrated Pi(e) Day in March by participating in a variety of games and activities involving math!

Trips

Fun fact: the Green Bank Observatory was the first national radio astronomy observatory, founded in 1957!

Green Bank, WV:

Students walked around the Green Bank Observatory, explored the science center, and learned about the radio telescope!

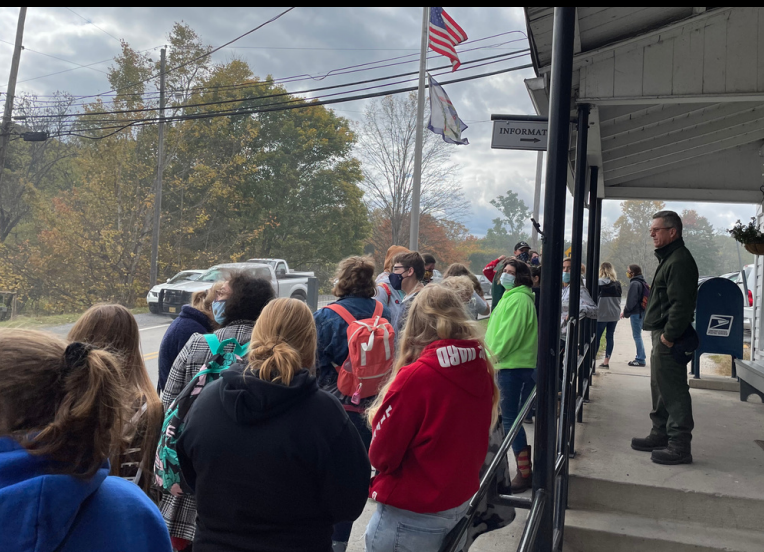

Trips

Cass, WV:

All aboard! In October, students visited the Cass Scenic Railroad State Park! This state park features an 11-mile long railroad and authentic company town.

COLLEGE EXPLORATION

Students toured two universities this year!

COLLEGE EXPLORATION

Enjoying ice cream at the Penn State Berkey Creamery!

PennState

They saw two gorgeous campuses in Maryland and Pennsylvania!

While visiting PSU, we met up with UB alum Abby Sine who is currently pursuing her PhD at Penn State!

Fun times

"Today was good. Today was fun. Tomorrow is another one."

-Dr. Seuss

Fun times

Let the good times roll!

"The rain never bothered me anyway!" -Landon, probably

Despite the rain, students enjoyed a great visit to Hershey Park during the spring trip!
