Let's Get Virtual!

Students stayed home during the pandemic and had a summer adventure online.
Table of Contents:

- Pg. 1: Title Page
- Pg. 2: Table of Contents
- Pg. 3: Rising Senior Academy
- Pg. 4 - 8: Academic Classes
- Pg. 9 - 14: Social/Cultural Activities
- Pg. 15 - 17: College Exploration Week
- Pg. 18: Work-Study
- Pg. 19-20: Academic Support
- Pg. 21: Fall Programs
Rising seniors (12th graders) participated in a two-week intensive session focused on preparing for their senior year of high school and the college admissions process. They met with UB coaches to discuss and formulate college lists, college application timelines, and ACT/SAT study plans and registrations. They completed a personal scholarship essay, took a full length practice SAT, completed the FAFSA forecaster, and learned how to pay for college. They reflected on their progress in high school and set goals for their future education.
UB students enrolled in the three-week UB Virtual Experience participated in non-credit, rigorous classes in Math, Climate Change Science, English Literature and Composition, and Chinese. They attended live class sessions several times per week with asynchronous components (recorded videos, assignments, online work in ALEKS math, etc.) on days they were not in a live class session.
How Would You Save The World?

- En-Roads?
- Climate Stabilization Wedges - game created by Socolow & Pacala at Princeton University.
- No single solution can stabilize greenhouse gas emissions, but multiple tactics can, if done together.
- Each tactic has differing economic, environmental and social impacts.
Students learning how to write personal narratives in UB English.
UB Chinese Live Session
Throughout the UB Virtual Experience, students participated in live social activities and self-paced cultural activities (museum tours of the Vatican and Louvre) to build connection to each other and to the group. Students were also assigned a roommate group and participated in team challenges with their groups (Adventure WV sessions, The Puzzle).
Groups met with AdventureWV for team building activities.
As you take part in your upcoming events over the next three weeks, look to work with your roommates to check off your personal “Bingo” board, and see if you can:

Ozzy Osbourne

Hey Brother
Avicii

Livin’ On A Prayer
Bon Jovi

Bark at the Moon
Ozzy Osbourne

I Love You
EXID

Rock And Roll All Nite
KISS

Partners in Crime (feat. Ash Costello)
Let's go to Prom
Students had the opportunity to participate in UB Spirit Week. One day was prom-themed.
During College Exploration Week, UB students attended sessions on college life, how to pay for college, study abroad, and college admissions. They engaged with first-generation college students at WVU and Yale to learn about their experiences, successes, and challenges. Finally, they attended admissions sessions and virtual tours from 5 in-state and 4 out-of-state colleges. They completed college visit sheets for each college to get a feel for what they are looking for in a college and to compare what colleges have to offer.
Current Students

Welcome to some of our current first gen students at WWC!

- Introductions
- Q&A

Welcome to the University of Pittsburgh
Most UB summer students participated in a work-study project that ran concurrently with their UB summer classes. Students engaged in career assessment and career exploration, with a focus on careers requiring post-secondary credentials. Some students conducted career interviews with professionals in their fields of interest and other students completed mock job interviews. The work study project was delivered through a combination of Virtual Job Shadow lessons, UB staff lessons and coaching, and virtual experiential learning (job interviews, career interviews).
In addition to providing instruction during Rising Senior Academy, the UB Virtual Experience, and College Exploration Week, UB staff provided academic tutoring and coaching support in the following ways:

- **Summer School Support** to students taking credit recovery courses through their home high schools.
- **College Class Support** to 9 UB students taking WVU general education college classes for credit during the Summer II summer session.
Six UB 2020 high school graduates participated in a College Readiness class as part of the UB Summer Bridge Program. Topics included:

- Orientation
- Dorms and Apartments
- Student Life
- Academics
- Finances
- Health and Wellness

All 6 students enrolled in college for the Fall 2020 semester.
Stay tuned for information on our Fall programs!

2020-2021 Virtual Orientation is September 12, 2020
