October 22:

- West Liberty University College Visit
- Grave Creek Mound Archeological/Cultural Visit

In School

Students are working on goal-setting, SWOT analyses, finding purpose, leadership and problem-solving skills, resiliency, growth mindset, self-care, and mindfulness, while also participating in weekly tutoring with WVU Honors College students.

Seniors are registering and practicing for the ACT/SAT, researching and applying to colleges, writing personal essays, preparing to complete the FAFSA, completing presentations highlighting what can be beneficial in high school for underclassmen, and working on a student-developed service project.

BAG TO K SCHOOL

SATURDAY PROGRAM

The Amazing Race!

Students participated in a race around WVU's Downtown campus where they navigated campus, deciphered riddles, completed tasks, and took photos.

WV Botanic Garden

Students visited the WV Botanic Garden for an educational tour focused on gardening, plant and animal life, ecology, and careers in STEM.

Try it! A Purpose Celebration

Students attended a WVU event with food trucks, bubble soccer, campus department showcases, and STEM activities (3-D printing station, drone flying station, building your own fish or PRT car).
